

ZEBRAFISH HUSBANDRY WORKSHOP

SAT 6 FEBRUARY 2010 9AM
BMRI SEMINAR ROOM
100 MALLET ST, CAMPERDOWN

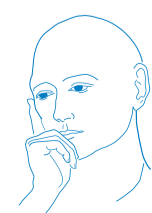

BRAIN & MIND
RESEARCH
INSTITUTE

THE UNIVERSITY OF
SYDNEY

In conjunction with the 11th Australia and New Zealand Zebrafish Genetics Workshop to be held 3-5 February 2010 at Coogee Beach, the Brain and Mind Research Institute is hosting a zebrafish husbandry workshop. This primer is for researchers who intend to use this model system in the future, for technical personnel in care of zebrafish, and for administrators involved in the housing of research animals and animal ethics. Participation by registration only via the BMRI web site.
